**THRIVE**  
LIFE

No additives, no preservatives, no pesticides, non GMO... THRIVE carries an extensive line of fruits and vegetables which are freeze-dried, locking in the nutrients. Great for emergency preparedness and food storage; fantastic for everyday snacking and cooking as well!

*My commission is 10% of your purchase subtotal.*

*That means I will donate 5% of what you spend (before taxes/shipping).*

*Want me to donate more? I will donate \$25 for each consultant that signs up through me!  
No sales or party requirement, you only need to purchase your kit and spend \$50 yourself for 3 months.*

*Email for details!*

*THRIVE does not have a fundraising mechanism at this time; this will come from my monthly commission check.,  
I will donate the money raised around the middle of the month following your purchase,  
through Bring Piper Home's GoFundMe page. I may extend the fundraiser at my discretion.*
